NIGHT RIDERS MAY GIVE BOND

Special Agreement Made Providing For Their Release From Jail—Trials In November Term.

LIST INCLUDES EIGHT SENTENCED TO DEATH

Union City, Tenn., Sept. 15.—By special agreement between Attorney General S. C. Caldwell and counsel representing 100 men under indictment in Obion county for night riding, the cases will be tried at the special term of court the second Monday in November.

The agreement permits the accused to make a bond of \$5,000 each. The list includes eight whose death sentences for the alleged murder of Captain Rankin were recently reversed by the Supreme Court.

OWNERS OF BANK STOCK HARD HIT

Owensboro Men Must Give Up Homes to Satisfy Creditors Claims.

Owensboro, Ky., Sept. 15.—According to a decision handed down by Supreme Judge Walter Evans, the stockholders of the bankrupt Owensboro Bank & Trust Company will have to put up twice the amount of their capital stock and reimburse depositors in full. The capital stock was \$1,000,000 and was squandered by James Parish, the bank president. The stockholders will many of them be bankrupted by the decision of the court, which is based on a Kentucky statute making stockholders liable for twice the par value of their stock. Among the hardest hit of the stockholders will be E. Rice, the wealthy tobacco manufacturer, of Louisville. He will have to produce about \$100,000. Large blocks of the stock were held locally. Several prominent men of Owensboro and surrounding country will have to sell their homes and be reduced to poverty because of the decision protecting the depositors. On the other hand, many of the smaller depositors who had put a life's savings in the bank, will be overjoyed to have their money returned to them.

J. R. Summers Hurt.
Hon. J. R. Summers, a prominent farmer of Livingston county, a mor-

chant of Salem and the former, honored Representative of Livingston and Crittenden counties, was rather seriously hurt last Saturday in some yet, unaccountable way, while on his way from his farm to his store at Salem. When he arrived at Salem, it plain to see that he was hurt, but how, they could not tell nor could he enlighten them and up to Monday his mind was yet a blank as to how the accident occurred. It is generally believed he was thrown by his mule. The first news to shock his many friends at Marion, was that he had received a severe blow on the head and that foul play was possible.

A Fine Entertainment Coming.

Every one remembers the "Singin Skule Regiment" which has been such a big success here twice, and now comes the good news, that the ladies of the M. E. Church have a date for Mr. Willard's new entertainment entitled "Eth'opia," a play of the sunny South, which will be produced in Evansville for two nights just prior to its coming here. The date for Marion will be October 19th. A large cast of local talent will take part and the conductor, the same as will put it on at Evansville, will be sent here, and he will take one of the leading comedy parts. "Eth'opia," like the "Singin Skule Regiment," is brim full of fun and contains lots of very pretty music, and though this is its first season, it is now almost impossible to get a date, as all of the dates are taken until after the holidays. Announcements will be made in due time and Marion folks may prepare to have another "good laugh."

Fire at Sturgis.

About two o'clock Sunday morning the Hotel Sturgis was discovered to be on fire, and despite the efforts of the brave bucket brigade, was, in a very short time, reduced to ashes. The building was an old landmark, being the first house to be erected by the Cumberland Iron & Land Company, an organization still in existence and having proven, harrang the West Kentucky Coal Company, the best friend the good town of Sturgis ever had. Col. Chas. Funk was the clever manager of the noted old hostelry when it burned, but the house was under a lease to A. L. Grady, who, it is claimed, had twelve thousand dollars on the furnishings and fixtures, while Mrs. Skinner, only had one thousand dollars on the house.

Death of Mildred Carleton.

Mildred Loraine, little two-year old daughter of Mr. and Mrs. E. V. Carleton, of Joplin, Mo., died Sunday night, Sept. 12th, at their home on 1931, Va. Avenue, with spinal trouble. Their many friends showed their sympathy with a lovely floral offering. The pall-bearers consisted of four young ladies of Mr. Carleton's Sunday School class. Their many friends accompanied them to the Fair View cemetery where she was laid to rest. Mr. and Mrs. Carleton were former residents of Marion and have many friends who sympathize with them in their bereavement. Mrs. Carleton is a daughter of Dr. T. H. Coasitt.

CONGRESSMAN JAMES ORATOR OF THE DAY

Death of Anna Jacobs.

Anna Jacobs, daughter of Harvey P.

Jacobs passed peacefully away at her father's home, six miles west of Top penish, Washington, Sunday, at three o'clock p. m., Sept., 5th, 1909.

Anna was born in Crittenden county, Ky., Dec. 17, 1888. At the age of ten she professed faith in Christ, and united with the C. P. Church at Crayne, Ky., and lived a consistent member. In 1904 she was granted a letter of dismissal and recommended by said church and emigrated with her father's family to Yakima, county, Washington, where, with the family, she joined an organization for a Presbyterian church in Toppish, which organization was not consummated. Anna was an obedient daughter, loved and esteemed by all who knew her. She has many friends in Washington who join the family in mourning their loss which is her eternal gain. She bore her afflictions of typhoid fever, with patience and Christian fortitude. Her remains were laid to rest in the beautiful cemetery at Zillah—A Friend.

JUDGE THOS. J. NUNN

Began His First Term As Chief Justice of The State.

Frankfort, Ky., Sept., 20.—In the presence of two hundred lawyers, women and laymen, the Court of Appeals began its fall term to-day in the splendid new courtroom in the new Capitol. Judge Thomas J. Nunn presided and began his term at Chief Justice of the State. He dropped into the harness of Chief Justice as naturally as if he had been doing that sort of work all his life. Besides, he looked the part, his square shoulders and fine features reminding one of the typical Chief Justices who always command the respect and admiration of the people.

Enjoyable affair.

In company with R. M. Franks we attended the barbecue at Emmaus on last Saturday, given by Prof. J. W. Rascoe, for the benefit of his school.

There was a goodly crowd present and altogether, we spent one of the most pleasant days of our life. There was an abundance of nicely barbecued meats and the nice things prepared by the ladies to make the meal complete, such as bread, pickles, coffee, cake and ice cream, added the finishing touches. Every body present seemed to enjoy the day and none more than the Editor and good Bro. Franks.

One feature of the trip was that

we found the roads in better condition than was expected and having heard the Crittenden county roads spoken of as "wretched," we were agreeably surprised. On our way we passed through the nice little town of Crayne and met while there, our old friend N. J. Bishop, who is Postmaster and proprietor of a general merchandise business, also noticed the vast amount of heading, logs and flourspar ready for shipment. At the barbecue grounds we were pleased to see quite a number of pretty women, girls and children and a creditable number of handsome men, and they were not candidates either. And last but by no means to be overlooked, was a number of fine horses and mules for which Crittenden county becoming noted. Among them, the fine span of horses driven by W. E. Asbridge. While there quite a number honored us with subscriptions for which we feel thankful and our whole effort will be to make it the best dollar they ever spent. To the good people of Emmaus we will say you made our trip a pleasant one and we are truly glad we were there.

MILLINERY.

GOV. JOHN A. JOHNSON

Who Was Three Times Elected Governor of Minnesota Passes Away.

Rochester, Minn., Sept. 21.—Gov. John A. Johnson, three times elected Governor of Minnesota, candidate for the Democratic nomination for President of the United States in 1908, and looked upon by many throughout the country as the probable Democratic national standard bearer in 1912, died at St. Mary's hospital at 3:25 o'clock this morning following an operation last Monday.

THE CENTAUR COMPANY, 37 MURRAY STREET, NEW YORK CITY

HUSBAND, 38, SEEKING ALIMONY FROM WIFE, 89

Man Sued For Divorce Asks for Attorney Fees and for Support. Alleges That wife Drove Him Away From Home

PROPERTY INTERESTS AMOUNT TO ABOUT \$25,000.00.

Hot Springs, Ark., Sept. 15.—Robert E. Carrier has filed a cross-complaint to divorce proceedings by Mary E. Carrier, asking \$500 for attorneys' fees and \$50 a month alimony for his support pending a final settlement of the case.

In his cross-complaint Carrier sets forth that he was induced to marry the woman now his wife in 1905 when she was 85 years old through a promise that all her property would be given over to him.

He states that he is 38 years old and that when he was married the property was given over to him, and through his management became more valuable and productive of income, and that things went well until a year ago, when his wife drove him away from their home.

Mrs. Carrier recently filed an action for divorce, charging inattention and drunkenness.

The husband in his cross-bill declares he was attentive to his wife throughout the time they lived together, even though he had to work day and night to care for her as if she were an infant less than six months of age.

The property interests amount to about \$25,000.

Horse Show to be Held at Louisville, October 11th.

Announcement comes from Louisville to the effect that the Louisville Horse Show will be held this year during the week of October 11th. It will be held in the First Regiment Armory, which is unsurpassed as a show place for horses. The prize-list has been completed, and the amounts to be awarded will run well over \$12,000. The horsemen of the State and the country at large, who regard the Louisville show as the equal of any in the country, will have something worth while to contest for this fall.

Kentucky saddle horses are as famous as Kentucky thorough-breds, and the Louisville show has always made a large place for them. This year there will be many classes for both the three-gaited and five-gaited

saddlers, and they promise to be unusually well filled. The best that have been developed during the fair season and at the State Fair will be shown, and real championships will be awarded. Mat Cohen, the Bell Bros., the Gay Bros., Lawrence Jones and others who own blood-blooded saddle horses will be among the exhibitors.

National attention was attracted to the Louisville show last fall by the fact that Judge W. H. Moore, conceded to have the finest stable of show horses in the country, was an exhibitor, and by the exhibitions of four-in-hands by Alfred G. Vanderbilt. Both will be back in October, reinforced by Reginald Vanderbilt, D. W. Watson, Miss Daily Bedford, J. W. Harriman and other owners of show horses that are famous on both sides of the ocean.

Cures Dyspepsia; Trial Is Free

It is a popular mistake that only wealthy people who eat rich and highly-spiced foods suffer from dyspepsia, or, as it is also known, indigestion. The laborer in the street, the worker in the field also finds himself a victim of this disorder. Among the very greatest sufferers from it are women.

Dyspepsia is indicated by a constant feeling of laziness, by loss of appetite and troubled sleep, by sour stomach and distress after eating, by bad complexion and listless eyes. There is no surer and speedier cure for this trouble than Dr. Caldwell's Syrup Pepsin, which dyspepsias have been using successfully for twenty years. This great herb laxative compound cured Capt. Clark, of Buffalo, N. Y., of dyspepsia and sour stomach that he had had for forty years, or until the lucky day that he heard of Dr. Caldwell's Syrup Pepsin. He cured Joel Adams, of Montgomery, Ala., after suffering continuously for sixteen months. These are only a few of the many. But it is not expensive to be cured with this grand remedy, as it can be bought at any drug store in a 50-cent or \$1 bottle. Your very neighbors are probably life-long users of Dr. Caldwell's Syrup Pepsin, but if you want to know without expense what it will do for you personally, send your name to Dr. Caldwell and he will be glad to send you a free trial bottle. He is actually anxious to have you make a test of his remedy.

Thousands of families everywhere keep it in the house against such an emergency as constipation, sour stomach, indigestion, biliousness, dyspepsia, heartburn, torpid liver, etc., which may come on a member of the family any day. It is pleasant to the taste, acts gently and does not gripe. It is the great children's laxative tonic.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.

TO THE VOTERS OF CRITTENDEN AND LIVINGSTON COUNTIES

In accepting the nomination for a seat in the Lower House of the next General Assembly of Kentucky, by the unanimous vote of my party in convention assembled, I am indeed grateful for the expression of confidence reposed in me; the more so, because the nomination comes to me entirely unsought, and I feel also an endorsement of my course in the House as your member in the session of 1902.

I speak from experience when I say, that in undertaking to serve you, if elected, that I will do so at a sacrifice to my professional and business interests: but as the banner has been placed in my hands I shall do every thing honorable within my power to carry it to victory.

I feel that my experience as your member one term and three terms as clerk of the House qualifies me, to some extent, to make you a more efficient Representative, than when I first served you without any knowledge whatever of practical legislative work.

If you honor me again I shall strive to make you an honest and faithful member; striving to make laws fair and equitable alike to all. And endeavor at all times to reflect the will of my people on all questions of public interest.

I shall stand for temperance and sobriety.

I shall stand for a law that will stop "blind tiger" and "boot legger" from invading our territory, which by our votes we have said shall be dry, and vending his vile poison to our youth, thereby disturbing the peace and tranquility of neighborhoods, and religious and other lawful assemblies, even if it takes the prison stripes to do it.

I feel that the present Trustee law and school system passed by the last General assembly is unjust, unfair and unsuited to the requirements of our people; therefore, if elected I shall vote and work for its repeal.

I stand for laws that shall be respected by all classes alike; believing that law and order can only be maintained by a fair and impartial administration of the laws of the land.

If you can give me your support, I shall appreciate it, and endeavor to give you no cause for regret at having done so.

I am your obedient servant,

MARION F. POORE.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early age, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

We are authorized to announce MARION F. POGUE a candidate for the office of Representative in the next General Assembly, from the counties of Crittenden and Livingston.

Miss Clara Nunn Announces.

Having been requested by friends of all parties to make the race for county Superintendent of Schools for Crittenden county. I have decided to announce myself as a candidate for that office and respectfully solicit the support of the people of Crittenden county, at the Nov. election, 1909.
 CLARA NUNN.

The Missing Word Contest.

Do not fail to look for the missing word to be found by reading the Marion ads. The guesses coming in up to Saturday noon, will be placed in a hat and well mixed, and the first correct guess drawn, by some disinterested party, blindfolded, from the hat, will receive the one dollar.
 Send all guesses to this office and be here at three o'clock for the drawing. Drawing at 3:30 P.M.

Mr. Geo. MacFarland, of New York, who is President of the First National Bank of New York, was an honored visitor to Marion last week, as was Mr. D. C. Roberts, of Chicago, who is president of the same bank and other banks in Crittenden. They were in company with the members of the company here and are very much interested in the future prospects of the Republic of Crittenden. They have both money and faith in the future of Crittenden county, and for the future prospects to be unusually bright.

WILL BE BUSY WEEK.

Fully appreciating the honor which will be conferred upon St. Louis by the Centennial Association, the Centennial Association and its members are making every effort to provide appropriate entertainment and the wives and daughters of the citizens will be especially careful.

The week will be a busy one for the mayor and those who accompany them from the day of their arrival Monday, Oct. 4th, until their departure six days later. For them will begin with a reception and a luncheon the first day and will include a banquet, attendance at the Vesper Prophet ball and facilities to see all of the other chief events of the celebration. Among these will be grand pageants daily, and great balloon, airship and aeroplane races.

The reception Monday will be held at City Hall by Mayor Frederick H. Kreismann, who is President of the Centennial Association.

Immediately following, at 12:30 p. m., a luncheon will be given at Hotel Jefferson by the Civil League,

and other noted visitors who may have arrived will be asked to attend. After the luncheon an important conference will be held at which the principal topic of discussion will be the "commission" form of municipal government. It is expected that talks will be made by mayors of cities in which the plan already is in operation, notable among which are Des Moines, Iowa, and Galveston, Texas, and opponents of the plan also will speak. The advisability of further formal conferences is under consideration by the officers of the League. It is probable that at least one more, Tuesday afternoon, on subjects to be selected, will be arranged.

An invitation to and souvenir of the Vesper Prophet ball will be presented to each mayor who accepts an invitation to attend the Centennial celebration. The ball, Tuesday evening, will be held this year in the beautiful new Coliseum, instead of the Merchant's Exchange, permitting a larger and more comfortable attendance than ever heretofore.

The Business Men's League, the chief organization of business men in St. Louis and one of the strongest bodies of its kind in the United States, will be host Wednesday evening at the Coliseum at what will be known as the "American Mayors' banquet," at which the visiting mayors and their wives and other prominent guests to the number of 2,200 are expected to be present. Many other elaborate events of a public nature and free to all will fill out the week.

The Centennial Association has secured reduced railroad rates from virtually all parts of the United States, including the Pacific Coast, for Centennial week.

CITIZENS LIFE INSURANCE COMPANY.

Louisville, Ky., Sept. 19, 1909

Bulletin No. 37.

The total amount of stock subscriptions received at the close of this bulletin is \$1,093,950.

The general impression about the life insurance business is that everybody is insured. Some people even wonder how a company is able to write any more insurance.

As a matter of fact, statistics show that eighty-seven out of every one hundred insurable men in this country do not carry any life insurance at all. Eighty per cent of those who die leave nothing to their families, and only five per cent leave over \$1,000.00.

The annual income of the people of this country from all sources is about \$10,000,000,000. While only four per cent of this sum is used to pay for all forms of life insurance policies, per cent eighty-eight per cent of all the estates left consist of life insurance money. Not more than fifty per cent of our people are covered with adequate life insurance. Ninety-five per cent must wait for the time when an accident will strike them, and most of those who reach the age of sixty are dependent upon their wives or others for support.

In the fifteen Southern States, which pay out annually Ninety Million Dollars for life insurance premiums, only \$4 per cent insurable lives are fully covered, and the average for the United States is only 12.50 per cent.

That a man should die is a tragedy to the City of National Life Insurance Company. The tragedy comes from which we have to grow in practical numbers, and as rich as the mines of the United States.

We have received hundreds of letters from the publication of our bulletin under the name of them has been placed squarely on the head as a letter received in today's mail. It was written by a gentleman in the Citizens Life who is at present in the North, and we quote the letter in its entirety.

I am an insurable every day and think it is a privilege to create plenty of enthusiasm, and an excellent means of defeating the Southern people up to what they have been sleeping over for forty-six years—a want of independence. Success to the organizers of the Citizens National Life in rescuing the South from the shadow of the North and East. Since coming north and hearing the comments on the lawlessness of the South I am more opposed than ever to sending North and East for all our needs thus depicting our revenue, and increasing their dominion over us."

REPUBLICANS NOMINATE

Hon. Clifton J. Waddell
 For Circuit Judge
 and Capt. Carl
 Henderson

FOR COMMON-WEALTH ATTORNEY

Form Caldwell County
 News

The Republicans of the Fourth Judicial District met in convention at Princeton on the 15th, nominating Hon. Clifton J. Waddell for Circuit Judge and Capt. Carl Henderson of Marion, for Commonwealth's Attorney.

The convention was said to have been harmonious throughout, the two nominations having been made without opposition.

The convention was called to order by Chairman John B. Harvey of Madisonville. Hon. A. C. Moore of Marion was made chairman of the convention and Hon. W. I. Champion, of Smithland, was chosen Secretary.

The large crowd seemed to be waiting for something and did seem to be much interested in the opening of the convention, the appointing of committees, or the committee reports. They were anxiously waiting for a more important part, every one apparently having their minds fully made up as to what they wanted for their standard bearers for the offices of Circuit Judge and Commonwealth's Attorney.

Finally Chairman Moore stated to the convention that nominations were in order for Circuit Judge. At once the large crowd became all attention.

The Hon. Charles Farquhar of Smithland, arose and was the first to front by the chairman. In a very appropriate and interesting talk he addressed the convention on the conditions as they have existed throughout this section for some time past, the same being familiar to every voter in the district. He referred upon the present jury system, the one-sided condition of our courts and in fact the whole situation, possible it was to remedy a serious phase of lawlessness.

Finally Mr. Farquhar introduced the name of Hon. Clifton J. Waddell as the one man to carry the party to victory in the November election. The one man who would give the people of this district what they need, for a square deal, equal justice and an honest court. It was then that the large crowd broke into a cheer and there after when the name of Capt. Carl Henderson was called out, and when Mr. B. R. Morgan, of Caldwell county, seconded the motion, and the nomination was made unanimously, you for Waddell would be heard on all sides. The fact that the convention went on with the same enthusiasm of Mr. Waddell's name, which have as much as the popularity and esteem which the people have for that gentleman throughout the district.

After the convention was again restored to order, the Hon. Walter A. Blackburn, of Marion, in a few well chosen remarks, placed the name of the Hon. Carl Henderson of Marion, before the convention for the office of Commonwealth's Attorney. Again the convention went wild, and after the same was seconded by Mr. Morgan, in behalf of Caldwell county, there being no further nominations, the same was made unanimous.

The truth of the matter is that for a long time past the people throughout this section have had their minds made up favoring these two gentlemen, and all they ask for now is a chance to vote for them. The voters want them because they

are honest, fair and will be true to the oath they will take when they enter upon their official duties.

After the above nominations were made, Mr. Joe B. Harvey, of Madisonville, put a motion before the convention that the names of Mr. Waddell and Mr. Henderson be put on the ballot under the Republican device, the log cabin. The same was carried after which the convention adjourned.

It was common talk on the streets in this city last night and this morning that the Hon. Clifton J. Waddell was the cleanest that had been on any ticket in this section in a long time, there being no blemishes what ever against him from his boyhood days up to the present time, while the Hon. Carl Henderson is equally as strong the people having a high regard for him for the noble and fearless stand he has taken in their behalf in the past.

Really, the two gentlemen are sure winners and there is no mistake about that.

Here And There.

The county has been blessed with some fine rains recently, but not enough to furnish stock water.

What are you going to do about the stock law? Think about it and be sure and make no mistake.

The Cumberland Presbyterians will hold their Presbytery this year at Pleasant Fork, beginning Tuesday after the first Sunday in October.

Say, Ben, Billy Joel, come up with your end of the stick.

Our road overseers are getting their heads in the condition, good.

There are warms, and selling at a fair price. Buyers are picking up all kinds and paying a good price.

The people of the rural district are against the new school law regardless of politics or any other sticks.

In a great many parts of the county stock water is getting scarce.

There is a protracted service going on at Eminence this week. Rev. B. B. Blackburn, pastor of this church.

A gentleman was here County Court day having horses and mules taken to Charleston, Mo.

Schools of our country went to school Monday trading out being closed that day.

Rev. B. B. Blackburn was in the city Monday. He was with him from a visit to the members of the Synod, Mo. He thinks very highly of the system of prayer. We hear of a good many people in our county that are taking of going to that State.

It was said when Charles Henderson was in the county that he was the "king of the hills." Of the people.

Everybody is well pleased with the new letter and we think he should have a few more for we notice he is a very good man for the office, and the temporary education and the spreading of our towns and country.

Birthday Celebration.

In honor of the 55th birthday of our dear Master Hicklin, Mr. and Mrs. D. B. Moore issued invitations to a number of his little friends to join him in celebrating it on last Saturday afternoon, Sept. 18, 1909. They were Elizabeth Cook, Ida Bigham, Harman Bigham, Evelyn Moore, Rufel Metz, Paul Ray Metz, Hazel Love, Clara Carnahan, Mabel Sutherland, Mary Doss, Louise Doss, Edwina Weldon, Richard Hicklin, Charline Weldon, George Clark, Morris Robinson, Harry Moore, Neville Moore, and Doris Carter.

The occasion was made a happy one for the little ones and was also very much enjoyed by all who planned in the merry-making.

In the "beau walk," the prize was won by Harry Moore. Refreshments, consisting of ice cream, sherbert and cake, was served.

A Rough Skin.

Only lacks beauty, but indicates poor
health. Also it is uncomfortable.
Whether you are a man or woman, whether
you are for beauty or comfort, you cer-
tainly want to get rid of that skin rough-
ness. Particularly as a rough skin is nine
out of ten the forerunner of Eczema,
the most common and serious skin disease.
Your duty to yourself to get rid of it.
Liquor Sulphur not only elimi-
nates the symptom (rough skin) but the cause
of the symptom, no matter what it may be,
is itching instantly.

Liquor Sulphur Co.
men: I have used your Liquor
for Eczema and Prickly Heat and it
pleases me that I recommend it to out-
ing humanity, having a severe case of
eczema and after trying various remedies
I was not cured, but after the first applica-
tion of your Liquor Sulphur I experienced
the greatest relief and am now well.
In the mean time, I used it for Prickly
Heat and after one application it absolutely
cured me. I can conscientiously recom-

Better Not Get Dyspepsia

You can help it. Kodol prevents Dyspepsia, by
effectually helping Nature to Relieve Indigestion.
But don't trifle with Indigestion.

A great many people who have
been afflicted with indigestion, have been
suffering for it—when nervous or
irritable dyspepsia resulted, and
they have not been able to cure it.
Use Kodol and prevent having
dyspepsia.

Everyone is subject to indigestion.
Stomach derangement follows
overeating, just as naturally
as just as surely as a sound and
healthy stomach results upon the
use of Kodol.

When you experience sourness
of stomach, belching of gas and
nauseating fluid, bloated sensation,
lawing pain in the pit of the
stomach, heart burn (so-called),
eructation, headaches, dullness or
irritable tired feeling—you need Kodol.
And then the quicker you take
Kodol—the better. Eat what you
want, let Kodol digest it.
Ordinary pepsin "dyspepsia" tab-
lets, physics, etc., are not likely
to be of much benefit to you, in
stomach ailments. Pepsin is only

a partial digester—and physics are
not digesters at all.
Kodol is a perfect digester. If
you could see Kodol digesting every
particle of food, of all kinds, in the
glass test-tubes in our laboratories,
you would know this just as well
as we do.

Nature and Kodol will always
cure a sick stomach—but in order
to be cured, the stomach must rest.
That is what Kodol does—rests the
stomach, while the stomach gets
well. Just as simple as A, B, C.

HALEY'S COMET

Sighted and Will be Here on Time.

Cambridge, Mass., Sept 14.—Hal-
ley's comet, traditional since 250
years before the Christ era as the
forerunner of evil times for the lower
classes, has been sighted again after
seventy-four years, absence from the
immediate ken of astronomers.

A dispatch received Sunday at
Harvard university observatory from
Prof. Wolf of Heidelberg, bearing
the news that he discovered the comet
Saturday—5,642 in right ascension,
six hours, eighteen minutes, twelve
seconds; declination seventeen de-
grees, eleven minutes north.

From Prof. Wolf's reported dis-
covery American astronomers are in-
clined to believe that all the large
observatories of the world presently
will be able to locate the comet with
their telescopes. Prof. Wolf says
only the largest telescopes at his com-
mand revealed the comet.

Astronomical authorities agree
that even if the observatory tele-
scopes reveal the comet distinctly, it
will not be visible to the naked eye
until next April or May.

Haley's comet was last seen in
1835. It was, perhaps, first seen by
any astronomer competent to record
it, 2,500 years ago, or 250 years
before the Christian era. That is
the farthest date to which the patient
labors of the astronomers have car-
ried it back, and it was then seen
and noted by the Chinese astron-
omers, who saw it again in the Au-
gust of B. C. 87.

In Memory of Little Corean Miles.

The child of Mr. and Mrs. Richard
Miles, departed this life, Sept. 1st,
1909. Age five years and four days.
She has left this dark and gloomy
world to a home where darkness is
no more.

The child has left us mother's arms,
A mother's tender care and love,
To be an Angel with God,
In Heaven up above.

Too pure was she for earth so vile,
Where man doth make his brother
mourn.
Where deeds are done with deceit-
ful smiles,
And evil seeds are ever sown.

Too sweet was she for the flowery
fields,
Where thistle and thorn trees grow,
Where Satan hides in haunted dens,
To spring upon his foe.

But far beyond in distant days,
There unseen by human eyes,
Sweet Corean dwell in the home
of God,
Beyond our summer skies.

Far beyond the portals,
Of the sun the king,
That gives us day o'er loved ones,
Lives in sunless beauty,
Where the light of day fades not
away.

And should we wish to meet little
Corean,
In her home beyond the skies,
Ever may our lives be perfect,
Until we say to earth goodbye.

We miss thee from our home
Corean,
We miss thee from thy place,
A shadow o'er our lives are cast.
We miss the sunshine of thy face,
We miss thy kind and willing hand;
Thy fond and earnest care,
Our home is sad without little
Corean,
We miss thee every where.

FARMER MARKS COULDN'T HURRY

At Least Not Fast Enough to Intercept
His Runaway Daughter—Lost
Wheel in Pursuit—Webster
Stirred as Never Before

OVER ESCAPE OF YOUNG COU-
PLE WANTING TO MARRY.

Evansville, Ind., Sept. 15.—An
excited farmer in pajamas, a broken
buggy wheel and a blind horse, were
defeated by Dan Cupid in the most
exciting chase known throughout
Webster county, Kentucky.

As the result Herbert Curry, 21
years old, and Miss Effie Marks, 19
years old, are eluding over the de-
feat and willing to advise any young
couples who wish to get married to
do so without listening to advice
from the father of the girl.

Dressed in a lavender princess
gown, Miss Marks led her future
husband, Roy Curry, to the marriage
license counter Wednesday morning.
Tuesday evening the young lady in-
formed that she was going to a party
at a girl's house.

This her father did not object to,
as he recalled to his mind the good
times he had when a boy.

True enough, there was a party.
And her father had heard there was.
He told his daughter she might go,
but to be home early. The dance
went on fine. Not even a soul at the
party, with the exception of the wit-
nesses, knew the intentions of the
pair.

Old Man Anxious.
Eleven o'clock came. Father
Marks grew anxious. When he was
a boy he had never stayed at a coun-
try dance after half past ten.

He thought the matter over. His
daughter was in company with the
same young man who had been an

ardent admirer for years. The farm-
er had often been pleaded with by
his daughter to be allowed to tell
Curry she could be his own.

Slipping a pair of overalls over the
pajamas, Father Marks hitched up
the first horse he could lay his hands
on. A shabby buggy was the only
one outside the shed.

In the meantime the couple and
the two witnesses had left the dance.

Father Marks stopped at the party
He learned that the quartette had
been missing for at least half an
hour.

Wheel Came Off

Never before had the old horse been
driven as he was Tuesday night. Af-
ter fifteen minutes of driving, Father
Marks heard what he believed to be
his daughter's voice.

As he called to her he noticed the
quartette start into a run. The evi-
dence was sufficient. His daughter
was running away to be married and
it was up to him to keep her from it.

Next there was a crash and Father
Marks hit the ground. The elopers
also heard the crash and saw the left
hind wheel running on the highway.

An outburst of laughter followed.

The quartette then quickened their
pace to Clay, Ky., where they caught
a train to this city.

Father Marks was disgusted. To
think that his daughter had outwitted
him was unbearable. He then turned
around towards home, leading the
horse and leaving the demolished
buggy in the road.

"We will now go home and try to
square things up with father," said
the young man, after the ceremony.

"I just can't think that we did
wrong," laughed the bride.

"I think papa just wanted to keep
us from marrying for stubbornness
and when he finds we have outwitted
him, why it'll be all right. At any
rate, let us hope so," said the bride
on second thought.

BURLEY TOBACCO GROWERS SETTLE DIFFERENCES.

Differences between the American Society of Equity and the Burley Tobacco Society were settled last night and only one pool of the Burley tobacco will be made in Kentucky. It is said this will mean millions of dollars to the tobacco growers of the state.

Twenty-five feet distant from the building where the best of Kentucky's chief product—tobacco—was exhibited the State Union Board of the American Society of Equity and the American Society of Equity, Department of Tobacco Growers, following a joint meeting of the two bodies, held at the State Fair grounds, officially adopted the pledge of the Burley Tobacco Society by ratifying the agreement made between Senator J. Campbell Cantrill, the president of the State Union Board of the American Society of Equity, and the Burley Tobacco Society.

This followed an earnest appeal by Senator Cantrill, urging the society not to form a pool of its own, as two pools in the Burley belt would mean a failure and with only one in the field its success was assured. C. O. Drayton, of Greenville, Ill., national president of the American Society of Equity, and M. F. Sharp, of Bowling Green, vice president of the society and Dr. C. F. Creel, of Falmouth, Ky., a member of the Burley Tobacco Society who acted as an arbitrator between the societies, attended the meeting.

Flood of Money For Kentucky.

The action of the tobacco growers yesterday afternoon means fifty million dollars to the producers, according to Garrett M. Ward, editor of the Equity Farm Journal, the national organ of the American Society of Equity. He added that the output will be increased to \$100,000,000 and the growers will receive double the price for the tobacco now that the success of one pool is assured.

Because of a pledge of their own,

the A. S. of E. Department of Tobacco Growers, did not officially endorse the pooling of the Burley Tobacco Society until yesterday afternoon. Clarence LeBus, president of the Burley Tobacco Society, did not attend the meeting at the State Fair yesterday.

It was Equity day and tobacco growers from every part of the State were in attendance. Several speeches had been planned, but these were declared off and it was decided to hold a joint meeting of both organizations.

This meeting was held to the north of the horticultural exhibit in the open.

The advisability of placing two pools in the Burley district was then discussed. Senator Cantrill put up a strong plea, urging the tobacco growers to accept the agreement of the Burley Tobacco Society.

Two Pools Wouldn't Do.

President E. L. Davenport, of Cisney, Ky., of the A. S. of E. Department of the Tobacco Growers, stated that he agreed with Senator Cantrill that two pools wouldn't be successful, but asked the Burley tobacco growers to grant one more concession and recognize a subordinate to the American Society of Equity.

After a lengthy discussion the joint meeting adjourned.

Members of the State Union Board of the American Society of Equity withdrew to a secluded spot of shrubbery at the west end of the State Fair grounds after the meeting was over.

When they returned they instructed the secretary to make public the following official report of the meeting:

Official Report of Meeting

Louisville, Ky., Sept. 17.—The Kentucky State Union, A. S. of E., met pursuant to a previous call by President Cantrill. The following members were present: Phos. E.

Barrett, of Henderson; Ben Watson, of Dixon; J. H. McConnell, of Princeton, and G. M. McMullen, of Butler, Ky. Geo. C. Davis was absent. President Cantrill called the meeting to order, after which Mr. McConnell moved that we ratify the action of Mr. Cantrill in accepting certain proposition as offered by the Burley Tobacco Society at Winchester, Ky., August, 10, and which had been formerly ratified by the State Board of A. S. of E. in session September 11.

"Be it resolved, that Secretary, S. B. Robertson be and is hereby instructed to officially notify each local union of A. S. of E. in the State of Kentucky of the action as set forth in the first motion and in a circular letter urge all members all members of the American Society of Equity to pool tobacco with the Burley Tobacco Society."

Until 7 o'clock last night the board of directors of the American Society of Equity, department of tobacco growers, discussed the question. They squatted on the ground when the members got tired. Then those who were watching the gathering saw them stand. Then they would sit again. Finally R. E. Blake, the secretary, gave out the following resolutions, which were unanimously adopted by the board:

What the American Society Did.

"The board of directors of the American Society of Equity, department of tobacco growers, in special session in Louisville, Ky., Sept. 17, 1909, adopted the following resolutions without a dissenting vote: Resolved—First. That we endorse the action of the board of directors of the Kentucky State Union, A. S. of E. in ratifying the agreement made between State President Cantrill and the Burley Tobacco Society.

"Second—That we urge all members of the A. S. of E. who are growers to lead all possible assistance to the Burley Tobacco Society in making the pool successful by signing their tobacco to the pool.

"Third—We believe that there should be but one Burley pool and all unite in fighting for a common cause. With every man doing his whole duty, you will succeed equally

as well in the future as you have in the past. Remember the pool closes Oct. 1, you have only thirteen days left and what you do must be done at once." (Signed) E. L. Davenport, president of the A. S. of E. department of tobacco growers. R. E. Blake, secretary. H. E. Routt, Crooksville, Ky.; M. D. Hughes, Bowling, J. F. Doss, Greenville, Ky.; J. W. Swallow, Lake, Ind.; W. Bibb, Sacramento, Ky.; A. A. Clark, Georgetown, O.; and H. F. Ray.

WHAT IS HYOMEI?

You Have Heard About the Catarrh Cure Haynes & Taylor Guarantees.

Hyomei is a wonderful antiseptic, so powerful that it promptly destroys germ life, yet its action on the mucous membrane is extremely soothing and healing. It relieves catarrh in five minutes; it cures in a few weeks or money back.

It is made chiefly of eucalyptus and eucalyptol taken from the eucalyptus forests of Australia. The medical profession knows that eucalyptus is an absolutely certain germ destroyer and with the active principles of eucalyptus as a base Hyomei is made more efficient, pleasant and quick acting by the addition of Thymol, an antiseptic and disinfectant largely employed in the Listerian System. Guaiacol and other important medicinal agents are also included in the Hyomei formula, which without doubt, is the greatest destroyer of catarrh germs the world has ever known.

Hyomei is a powerful, penetrating antiseptic that is pleasant to use. It does not contain a particle of cocaine, opium or any habit-forming or injurious drug.

No dosing the stomach when you use Hyomei. Just breathe it in through the small inhaler that comes with each outfit. Sold by leading druggists everywhere and in Marion by Haynes & Taylor. \$1.00 for complete outfit.

School Improvement Contest.

As announced at the County Teachers Institute, Marion business and professional men are offering cash prizes fifteen, ten and five dollars to the three Critenden county districts outside of Marion which raise the largest amounts, in proportion to their census, for improving their respective school houses school grounds, or buying libraries.

This contest closes Oct. 15. A report of money raised is to be sent to County Supt. Paris on or before the above date. The smallest district in the county has a good chance to win the first prize. All money raised remains with the district whether it wins a prize or not.

Twenty five or thirty district are working hard for these prizes, and much good will certainly result. Teachers, be sure to send your reports to the Supt. on time. Include in your report only funds actually paid in. Subscriptions unpaid at the date given above will not be counted in the C contest.

The following firms and individuals have contributed to the prize fund: T. H. Cochran, C. S. Nunn, Jno. H. Moore, Haynes & Taylor, F. W. Nunn, Walter McConnell, I. H. Clement, Yandell—Gugenheim Co.; J. H. Orme, N. E. Calmes, Taylor & Cannan, A. S. Cayender, Dr. T. A. Frazer, C. E. Weldon, J. P. King and J. W. Blue.

Death of Little Sidney Hall.

Sidney Hall, little son of Will and Fannie Hall, was born, Oct. 13th, 1904, and died, Aug. 25th, 1909. His age was five years, one month and seventeen days. He leaves father,

mother, two little brothers, a host of friends and relatives to mourn their loss. His body was laid to rest in the Pleasant Hill cemetery. Just two months before Sidney died, his grandpa, who was B. F. James, was buried there. After they returned home, Sidney told his parents that when he died he wanted to be buried close to grandpa. Oh, what a blessed thought, it is to have such a kind and loving grandpa, that the little children will love and cling to him as long as life last, and after death want to be buried close to him. He was always ready to embrace his children when they would come to see him. He would have them stand around his chair and bedside during his sickness, and then how he loved them and how their presence cheered him. His wife was always by his side to cheer and comfort him, and now Sidney and grandpa are both in Heaven.

A few days before Sidney died he said, "mama, I am a little angel, and he would use his little arms as if they were wings. It wasn't but a few days until he was a little angel. The Lord called him to join the angels he was speaking of. Oh, how sad it is to part with such a loving child. Dear parents we know you are sad and lonely and miss that bright little face and cheerful words and will listen for them little footsteps you have so often heard, but will hear them no more. Although you have two other little boys to cheer you, there is a vacant place which never can be filled, but we must submit to the Lord's will. It seems so hard but the Lord knoweth best while he has seen fit to take Sidney away, think what a glorious thought that he has prepared a home where we can all meet our loved ones where there will be no sorrow, sickness nor separations but will be joy, light and gladness where we can live together through all eternity.

Dear bereaved ones may the Lord be with you in your lonely sorrow in our prayers.

Sidney's Cousin.
